## MEET YOUR TRAINER, LAUREN

Being a dog owner herself, Lauren will set you up with all the tips & tricks she has learnt over the years of successful dog ownership. Lauren is our wonderful Client Liaison Officer here at Whitehorse Vet and really enjoys getting to know each and every one of her students. Lauren truly believes that in order to have a socialised & well behaved dog, you just have to get your dog involved in EVERYTHING.

*Going to a friends house? Why not take your dog*
